Time is to him who seeks like a fleeting moment; to him who waits, an eternity. An intangible yet a reality, time lingers or flees, unaware of our desires.

So we, members of a brief section of time, must strive to capture each fleeting moment; to live it fully and to cherish it as a warm memory.

There are numerous occurrences on our campus, private ones and those shared by many. It is our purpose in this book to represent a sampling of these memorable moments and, thus, stop and recall a short period of time for each to remember.

Madison College • Harrisonburg, Virginia

For outstanding patronage, understanding, and light-hearted participation, for excellence in professional responsibilities, for demonstration of the qualities possessed by dignified men and women of the campus scene, we dedicate our memories and accomplishments to a couple who have contributed much to Madison and given much of themselves to our class.

It is, therefore, with great pride and warmth, that we, the Class of '64, dedicate the BLUESTONE to Dr. and Mrs. Raymond C. Dingle, Jr.

Dedication

To another memory we leave this thought:

*For everything there is a season, and a time for
every matter under heaven:
a time to be born, and a time to die;
a time to plant, and a time to pluck up what is planted;
a time to kill, and a time to heal;
a time to break down, and a time to build up
a time to weep, and a time to laugh;
a time to mourn, and a time to dance;
a time to cast away stones, and a time to gather stones
together;
a time to embrace, and to refrain from embracing;
a time to seek, and a time to lose;
a time to keep, and a time to cast away;
a time to rend, and a time to sew;
a time to keep silence, and a time to speak;
a time to love, and a time to hate;
a time for war, and a time for peace.*

Division of Teacher Education

Since Madison was founded for the education of teachers, this division is an important part of the college. The departments of Education and Psychology are included in this division. Although Madison's curricula have expanded since its founding, the education of teachers is a vital part of the college. The responsibility of training the best teachers rests in the hands of these professors.

Social Directors

Many students know the Social Directors as the ladies who help freshmen "sign out," give late permissions, and give general information in Alumnae. However, few students know that these ladies also serve as advisors to the Social Committee, give teas, and arrange flowers in Alumnae Hall.

Mrs. Yancey and Mrs. Lincoln are the Social Directors of Madison.

Dormitory Hostesses

The housemothers of Madison are responsible for the care of the dormitories and the welfare of the girls who live in them. These women are always willing to help their girls in any way possible.

ACADEMICS

ELEMENTARY EDUCATION

This curriculum is based upon the conviction that a good elementary teacher must not only understand child growth and the nature of learning but must also be given adequate experience in guiding the learning experiences of children. Because such a teacher also needs a broad background of general or

liberal education for his personal satisfaction, this curriculum also provides a wide range of required courses and electives. A selected concentration of 24 semester hours should be included. A Bachelor of Science Degree is obtained in this course.

Curriculum I

Curriculum II

SECONDARY EDUCATION

This is a four-year curriculum for the preparation of high school teachers. Emphasis may be placed upon English, social studies, and foreign languages, or upon art, library science, mathematics, and science. There are courses in the professional subjects of education which lead to certification for teaching.

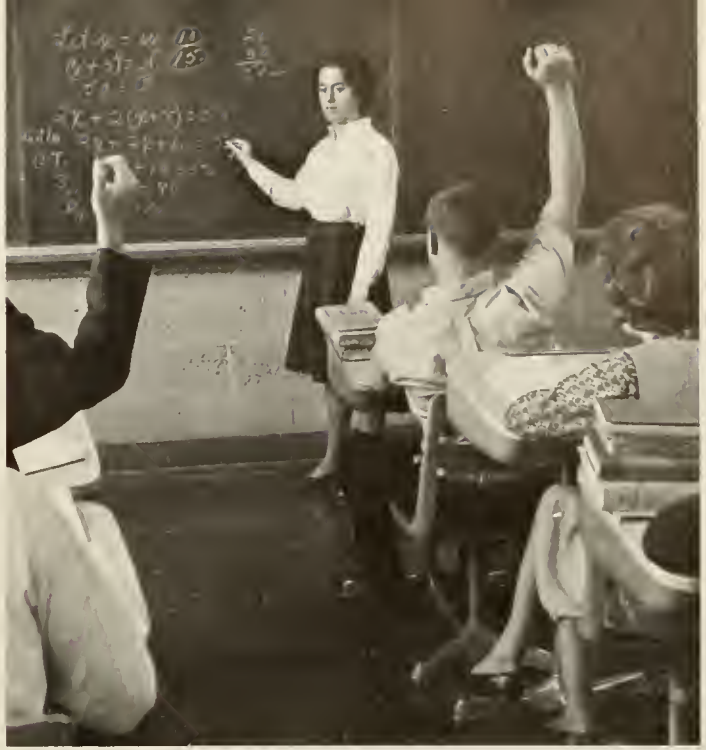

Upon completion of the work listed above, the student will receive the degree of Bachelor of Arts and the Collegiate Professional Certificate, enabling the holder to teach the subjects emphasized.

Curriculum III

SECONDARY EDUCATION

This curriculum is for the preparation of high school teachers. Emphasis may be placed upon science, mathematics, English, and social science, or upon physical education, library science, art, or foreign languages. There are courses in psychology and education that lead to certification for teaching.

Completion of the requirements for this curriculum leads to the Bachelor of Science degree and the Collegiate Professional Certificate, enabling the holder to teach the subjects emphasized.

Curriculum IV

HOME ECONOMICS EDUCATION

Graduates of this curriculum are certified to teach vocational home economics in high school. The requirements of the Vocational Division of the United States Office of Education and the standards set up by the State Department of Education are

fully met. Although this is a specialized curriculum, it is liberal in its content and scope.

Teaching is the largest field of employment for specialists in home economics.

Curriculum V

BUSINESS TEACHER EDUCATION

Curriculum V is designed to prepare teachers of business education for the secondary schools. In addition, it provides training in the non-teaching areas of secretarial science, general clerical and office occupations.

Upon completion of Curriculum V the student receives a B.S. degree in Education and the Collegiate Professional Certificate. The graduate is qualified to meet the four areas of State certification: Stenography, Bookkeeping, Office Organization and Practice, and Basic Business.

Curriculum VI

MUSIC EDUCATION

This curriculum is for students who wish to prepare to teach vocal or instrumental music in the public schools. Upon completion of the requirements set forth, students will receive the degree of Bachelor of Music Education and will qualify for the Collegiate Professional Certificate for the teaching of music from the Virginia State Board of Education or for a similar certificate in most other states. Students may also gain music skills required for church music, for private music teaching, or for work in a phase of the music industry.

It includes also an elementary knowledge of piano, voice, and one instrument of the brass and woodwind groups.

Curriculum VII

LIBERAL ARTS

This curriculum enables students not primarily interested in teaching to secure academic training equivalent to that offered in a liberal arts college. It provides students with a broad, cultural education and at the same time enables them to secure pre-professional preparation for such fields as library science, psychiatry, personnel work, social welfare, medicine, law, and other professions.

Curriculum VIII

LIBERAL ARTS

In this curriculum, work in science is emphasized, although students may specialize in a number of other fields.

The pre-medical or pre-dental student should be enrolled in Curriculum VIII. It is to the advantage of pre-dental students to obtain a college degree, and they get a B.S. degree here.

A four-year program leading to the Bachelor of Science degree in Medical Technology is offered in Curriculum VIII-A cooperatively with the School of Medicine of the University of Virginia and other hospitals on the approved list of The Council of Medical Education and Hospitals of the American Medical Association and the Board of Schools of Medical Technology of the American Society of Clinical Pathologists.

Pre-nursing students should enroll in Curriculum VIII. The University of Virginia School of Nursing offers a program in nursing leading to the Bachelor of Science in Nursing degree.

Curriculum IX

INSTITUTION MANAGEMENT

This curriculum meets the academic requirements set up by the American Dietetic Association. While this course is a professional course for food administrators, it is broad in its content and scope.

Graduates are eligible for entrance as dietetic interns in hospitals and administrative courses approved by the American Dietetic Association. This year of successful apprentice training gives the graduate active membership in the A.D.A. and enables her to accept a full time position as a graduate dietitian.

College graduates without this year of internship are in demand for positions in school lunch rooms, small hospitals, transportation companies, and welfare agencies.

Curriculum X

GENERAL HOME ECONOMICS

This curriculum places special emphasis upon preparation for the responsibilities of homemaking and family living. Courses designed to acquaint the student with family relationship, child development, and health of the family are offered. The curriculum also offers opportunities for preparation for income earning in such fields as home economics in business, journalism, radio, television, demonstration work, social welfare, merchandising, and government.

Curriculum XI

BUSINESS

Curriculum XI is a professional, non-teaching curriculum designed for those preparing for careers as secretaries, office occupations, or accountants. Two majors are offered.

The secretarial major provides specialized training to prepare the student for jobs as secretaries, office supervisors, and general clerical workers.

The business administration-accounting major provides specialized training to prepare students for positions as office managers, personnel workers, bookkeepers, and accountants.

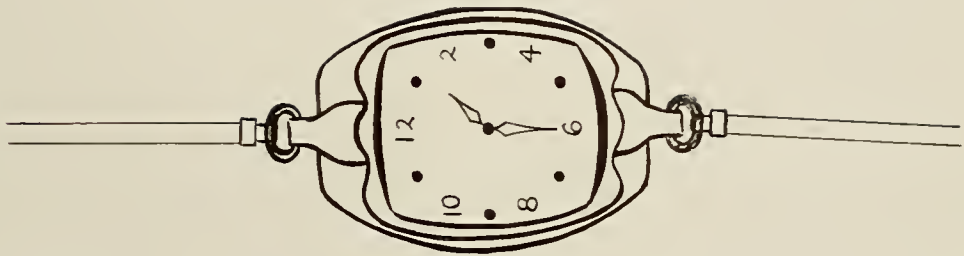

Curriculum XII

MUSIC

This curriculum is for students whose chief interests lie within the fields of musical performance, theory, and composition. Emphasis is put on broad and complete preparation in music for a professional career and for graduate professional music study, and an academic background through the general education courses.

BLUESTONE STAFF

Advisors: Mrs. Diller, Mrs. Coffman, Mr. Diller

In this the fifty-fifth edition of the yearbook, Madison's first student publication, the 1964 staff has endeavored to present a complete coverage of campus life and an opportunity for you to relive your fondest moments throughout the years.

After planning the book and receiving stimulating ideas from the Associated Collegiate Press Convention, copy and pictures were compiled for our early deadlines. Taking time out for our Christmas Party, we hurried back to complete the book and send it off to the publishers. Creativity, hard work and much more have produced this 1964 Bluestone.

Breeze

REFLECTS
LIFE AT MADISON

The *Breeze*, the college newspaper published weekly by and for the students, was founded in 1922. Receiving its name because the news was to "breeze" through the campus, the newspaper strives to accurately reflect college life — emphasizing student activities, accomplishments, and opinions. In the fall, *The Breeze* sent a delegate to Associated Collegiate Press Conference in New York City. At Christmas, the staff held a party to celebrate the season, and a formal banquet was held in the spring.

Heads Of Staff: S. Duffel, B. Brinckerhoff, C. Gorry, R. Sharpe.

Honor Council

HOLDS HONOR WEEK

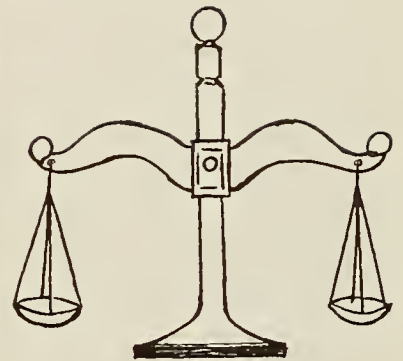

The Honor Council begins the year by helping with Freshman Orientation through handbook classes conducted by members.

Council is holding on Honor Week during the week of first semester exams in January. This has not been done since 1961.

Since all matters pertaining to the Honor Council are secret, it is hard to make public its specific accomplishments for the year. However, Council is making a few revisions in policies concerning the procedures used in dealing with Honor Council offenses.

Justice prevails as Martha Engle, President, conducts an investigation.

The fall rush season was highlighted by the Panhellenic Sing, at which time Dr. Mary Latimer spoke to the entire sorority body, and the scholarship cup was presented to Alpha Sigma Alpha. The Interfraternity Council joined the Panhellenic Council in sponsoring "Happy Holly Days," the annual winter formal, and a concert by the Princeton Tigertones. The Christmas service project involved working with the Rackingham County Welfare Department.

Second semester brought a new home for the Greeks, with spring rush being our first formal activity there. Further spring activities included a freshman orientation cake party, a banquet, and the traditional spring picnic. The awarding of the Panhellenic scholarship to a Modisan student was the final event of the year.

ALPHA GAMMA DELTA

Autumn leaves and the beginning of classes found Gamma Mu busily preparing to add new sisters to its ranks. For the final rush party the living room of Messick House was transformed into a cove, and the girls become Peter Pan, Captain Hook, and his bond of pirates for the weekend.

After the welcome arrival of new pledges into membership, the Alpha Gams settled down to parties, suppers, and regular meeting. December brought the initiation of pledges followed by a banquet at The Shenollee in New Market, with an Alpha Gam Alumna, Eleanor Wright, as our speaker. Also, this month brought the annual Panhellenic dance and our Christmas party given by the pledges who also provided side-splitting entertainment for the old members.

With the new year come exams but also a wonderful new group of pledges. International Reunion Day was celebrated with a tea. Seniors, though anxious for graduation, found tears in their eyes when serenaded at the Senior Party. June found us relaxing on the sands of Virginia Beach with many happy memories of sorority life and hopes for even better things in the future for Alpha Gamma Delta.

Alpha Gams take a snowball break.

Captain Hook (Julie Walker, center) signals that all Alpha Gams are ready for their "Peter Pan" rush party.

ASA sisters make a showcase for their crest while their work is admired from above.

Lindo Pace, president.

ALPHA SIGMA ALPHA

The red and white welcome of Baker House flew gaily for the return of its Alpha Sig girls in September. The spirit of Baker soared because it knew that after this year it would live only in the memories of its happy ASA'ers. Those memories began with the preparations for a Bak-Alaha Luau and Hawaiian festivities that ended with an inspiring ceremony for twenty-three new Alpha Sig sisters. Baker House spirit also extended its welcome to the foreign students attending Madison with whom we talked of customs and cultures.

Our effort in scholarship was rewarded and our determination for achievement was renewed when Alpha Sigma Alpha received the Panhellenic Scholarship Cup. The ASA spirit continued to soar as we called for donations of foods to be given to a needy family at Thanksgiving.

By the beginning of December the Alpha Sigs had acquired the additional spirit of Christmas which they shared with patients at Western State Mental Hospital during a Christmas party of skits, refreshments, and gifts. As usual, the ASA spirit was still strong; the new members entertained the advisors, sponsors, and old members of ASA with a Christmas party. Excitement came with the new year and the prospect of moving to our new home. The adaptation of rush and the anxiousness of meeting with approval of our national inspector in the Spring of 1964 challenged the ASA spirit once more. Through the year, Alpha Sigma Alpha collected many memories of laughter and achievement which were added to the hopes for another wonderful year.

Ready for a Luau.

ALPHA SIGMA TAU

Alpha Sigma Tau Sorority is the outgrowth of a woman's social club founded on the campus of Michigan State Normal College, Ypsilanti, Michigan, in 1899. The name Alpha Sigma Tau was adopted by the group, which continued to grow in membership from year to year. There are twenty-eight collegiate chapters and fifty-six alumnae chapters.

September saw the return of many busy members again to plan the traditional "Carnival Party" for rush. The following week-end new pledges were welcomed into the sisterhood.

Again in the Spring the ASTers welcomed new sisters and celebrated the local Founder's Day. The year ended with a farewell breakfast for the seniors. As summer came we recalled the memories of an inspiring Alpha Sigma Tau year.

Rush at Zirkle means carnival capers.

All right, who stole the stapler?

PHI MU

Autumn leaves found a smiling, suntanned group of Phi Mus beginning the new year with a busy rush workshop and plans for a trip to "Phi Mu Heaven." Much to our delight, we welcomed eight new pledges.

In October we were fortunate to have our District President visit us. As the year progressed, we continued to send letters and money to our adopted brother, Andreas Dragar, in Vienna, Austria. December brought preparations for the annual Panhellenic dance and plans for a Christmas party at Lincoln House. In the spirit of Christmas, the Phi Mu pledges collected food and gifts for a needy family.

On January 4, 1964, we initiated our pledges and attended a banquet in their honor at the Holiday Inn. As spring approached, we welcomed new sisters and celebrated our Founder's Day with installations of officers and a banquet.

With the arrival of May, all Phi Mus looked back over a year that had been filled with fun and excitement. As the seniors bid their sisters good-byes, they wished them happiness and success for the coming year.

Phi Mus put the finishing touches on the "Happy Holly Days" mural.

A busy president, Sandy Blosser, checks the files.

M. Williams, C. Twomey, P. Revere, and Vicki McQuinn relax before the Sigma Kap rush party. But, who invited the cat?

Rondy Vaughn, president, tunes up for an open house.

No, it's not hide-and-go-seek, just Sigma Kappa officers enjoying the Indian summer of Shenandoah.

SIGMA KAPPA

Sigma Kappa was founded at Colby College, Waterville, Maine, on November 9, 1874. There are presently 101 college chapters and 200 alumnae chapters of Sigma Kappa throughout the United States.

September and October found the members decorating and preparing for rush aboard the good ship "Sigma Kap" sailing to Shenandoah. Rush week ended with fifteen wonderful new pledges. In December a Christmas party was given for patrons and their children, who were delighted by a visit and gifts from Santa Claus. Early January meant initiation for pledges and a welcoming into the bond of Sigma Kappa sisterhood. The first semester ended with exams for all the sisters, and marriage for some.

The new year meant a new semester, new members, and a growing feeling of sisterhood with fond memories to be remembered always. All too soon 1964 ended for the Sigma Kappas. Graduation came and with it came good-byes to sisters who have meant a great deal throughout the college years.

SIGMA SIGMA SIGMA

Sprinkle House was the center of activities as both old and new members realized that this would be its last year as a home for Alpha Upsilon chapter. In September Sigmas returned eager to begin plans for the coming year. November found us preening Sprinkle House for a visit from Mrs. T. L. Jones, our National Collegiate Secretary. Christmas decorations and the annual party given by pledges were the highlights of the holiday season, but the initiation of our thirteen fall pledges was our most enjoyable event. Sprinkle House was fortunate to be the scene of a private concert by the Princeton Tigertones, who were on campus for the Panhellenic-Interfraternity Councils Dance Weekend.

With the new year came many memorable events, pledging and initiation of our spring rushees, and the celebration of our Silver Anniversary. Alpha Upsilon was founded at Madison on May 13, 1939; many alumnae and friends of the sorority joined us to celebrate and to bid Sprinkle House a fond farewell.

Graduation brought a close to collegiate sorority life for the seniors, but the warm friendships and memories that are so much a part of Alpha Upsilon will ever be present. "Though we know not of the future, parting can we bear, for we know a Sigma Sister always will be there."

Christine Woods, President.

The Sigma officers give the Sprinkle swing a spring workout; L. Hahn (seated left) seems to be afraid of heights.

The expressions of M. Blaylock, F. Pugh, and N. Catlett reflect various moods of rush party anticipation.

ZETA TAU ALPHA

An enthusiastic group of Zetas returned to the campus in September, anxious to make preparation for fall rush. An atmosphere of the wild west was created by the theme, "Zeta or Bust," and we happily received fourteen new pledges.

The year was filled with many memorable events — Founder's Day on October 15 . . . the Halloween rounds of the "Great Pumpkin" . . . Sunday night suppers . . . the surprise visits of the "secret Zeta buddies" . . . the annual White Banquet held at the Belle Meade in December, honoring the initiates . . . the merry Christmas party given by the new members . . . the spirit of bringing holiday cheer to the geriatric patients at the Rockingham Memorial Hospital.

Second semester found the Zetas in a new home, the Panhellenic dorm, and meeting with vigor the new era of sorority life brought to Madison. The Zeta room was the scene of more open houses, get-togethers, as well as a lovely May Day tea, given in honor of the alumnae, patrons, and advisors. The annual Senior Picnic brought the year to a close, and graduation meant sad partings, but a lasting treasure of true friendships.

PHI ALPHA EPSILON

Fall brought together our small group of fraternity brothers to begin its second year as an organization at Madison College. Each of us, glad to return to our beloved campus, began preparing for our many activities during the year. Phi Alpha Epsilon was originally conceived as an organization that would promote more social activities for Madison men and Madison College. Our year started off with a series of parties where we entertained not only ourselves but guests from Madison and surrounding colleges.

At the Panhellenic-Interfraternity Councils Christmas Dance, Phi Alpha Epsilon chose its "sweetheart" for the year 1963-64. Our choice came from seven lovely beauties, each one representing the seven Madison sororities. During the second semester, a series of parties were again enjoyed by our members and guests. February brought forth much excitement and satisfaction as we welcomed new pledges into the fraternity. With the arrival of May, we look back on another successful year.

During the year many of our members serve on various committees, hold offices in other organizations, and take an active part in the many organizations and activities of Madison College. We feel our organization is always striving for excellence, fellowship, and campus leadership, and we have shown what energy and organization can do. We shall continue to promote what is best in the college male.

SIGMA DELTA RHO

Sigma Delta Rho was founded on the Madison campus in 1947. The fraternity has grown in size from its original thirteen members to its present membership of seventeen. Sigma Delta Rho has as its major purpose the promoting of scholarship and fellowship among the brothers and men students at Madison. Its members are active in campus and community organizations and endeavor always to be of assistance to various worthy causes.

Our activities this year have included outings and parties and our annual spring picnic. As a participating member of the Inter-fraternity Council, Sigma Delta Rho helped sponsor the annual Christmas dance, a major event preceding this dance was a party at the home of our sponsors at which the candidates for the annual Sweetheart Contest were honored. The name of our sweetheart was announced after the "Happy Holly Days" figure.

INTERFRATERNITY COUNCIL

The Interfraternity Council of Madison College was organized in the Spring of 1963 by members from each of the men's fraternities. The organization was founded to handle jointly-sponsored activities and to act as a governing body in matters affecting the two fraternities. The I.F.C. became an official campus organization in the Fall of 1963 after being approved in an open meeting of the faculty. The council is composed of three members from each fraternity with the chairmanship alternating annually between the two groups. The sponsorship of the annual winter formal on December 14 in conjunction with the Panhellenic Council was the highlight of the year's activities.

Members of Sigma Delta Rho join forces with members of Phi Alpha Epsilon to make a hard job an easy task.

WOMEN'S ATHLETIC ASSOCIATION

Dedicated to developing an interest in physical activities and a high degree of sportsmanship, the Women's Athletic Association is composed of all women students enrolled at Madison College. The Council, with the assistance of the faculty advisors, strives to provide good intramural and extramural activities.

In this planned athletic program the WAA provides ten intramural teams, four extramural teams, four clubs and several interest groups. Some of the special events planned and sponsored by the WAA throughout the year include the Chuckwagon Party for incoming freshmen, the Massanutten Hike, club performances and the May Day Court. An added event this year sponsored by Madison's WAA and other surrounding colleges was the field hockey game between the Blue Ridge II and the Netherlands Tauring teams.

Each spring the Porpoise Club gives an exhibition for the college and community. This year seven members of the club attended a synchronized swimming workshop at Randolph Macon College.

The members of the club are selected during tryouts held in the early fall; they are selected according to their aquatic ability and willingness to learn. Dr. Bruce, Porpoise Club sponsor, helps the group learn new stunts, develop coordinations, and prepare for the annual water show.

HOCKEY TEAM

1963 proved quite an eventful year for the Madison Hockey Team. Good team effort and sportsmanship helped pull the team together and created an unconquerable force that swept to an undefeated season. The team was represented at the Southeast Hockey Tournament by Betty Fadeley and Elma Framm playing for the Blue-ridge II Hockey Team. The Madison team played host to the visiting Netherlands Hockey Association and the Blue-ridge IV Hockey Team and was represented by Betty and Merle Kemp playing key positions for the Blue-ridge team. The final victory came when the team, coached by Miss Leatus Morrison, climaxed the season by winning the Blue-ridge Hockey Tournament.

This is a unique opportunity? Fall produces a number of Robin Hoods, it seems.

The two new Hockey fields are usually kept busy.

Taking full advantage of those last few days of warm weather are these tennis "pros."

GIRLS' INTRAMURALS

Students had a great deal of fun and learned much by participating in the Intermural program. As they developed skills and made new friends, they experienced a growth of character and renewed physical vitality. Archery, tennis, hockey, fencing, volleyball, swimming, basketball, bawling, softball and golf were among the Intermural sparts. Each individual could find a place for his enthusiasm as the program offered team and individual sports throughout the year.

No one ever told me fencing would be like this!

A strike is all in knowing how, girls.

Look, gang! Only one hand!

With the use of floats, one may improve her strokes.

Serving becomes a much practiced skill as volleyball enthusiasts play together as a team.

With the first hint of spring, students are ready for sunshine and softball.

Swishing golf clubs and low-flying balls make back campus a hazardous place for sunbathers.
